# HOW TO USE!

Print out the document (Change the print scale setting to "Scale to fit")

## Eye Patch

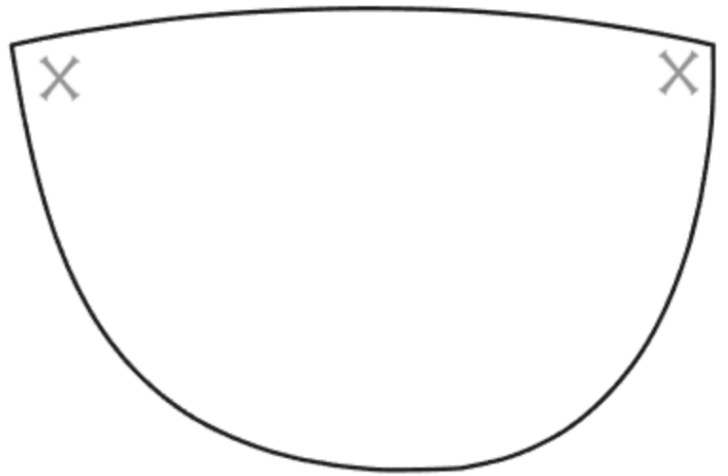

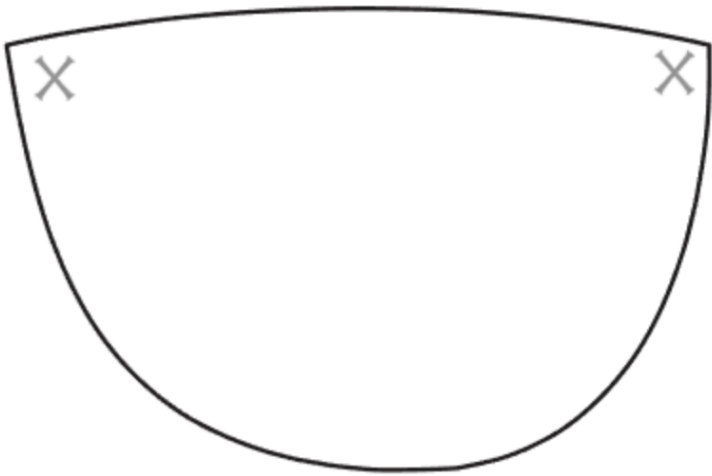

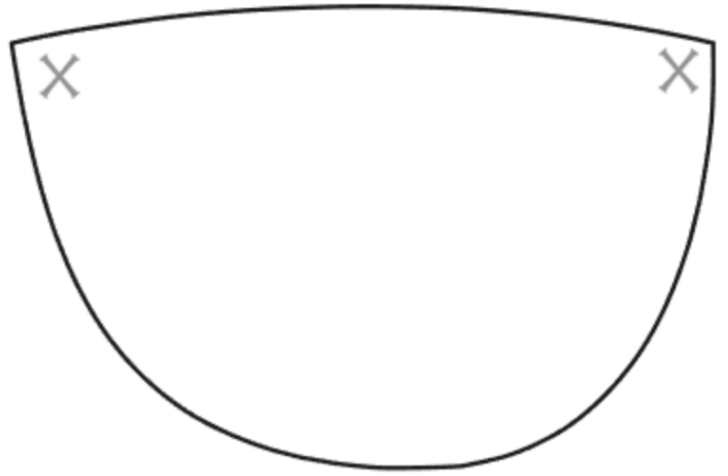

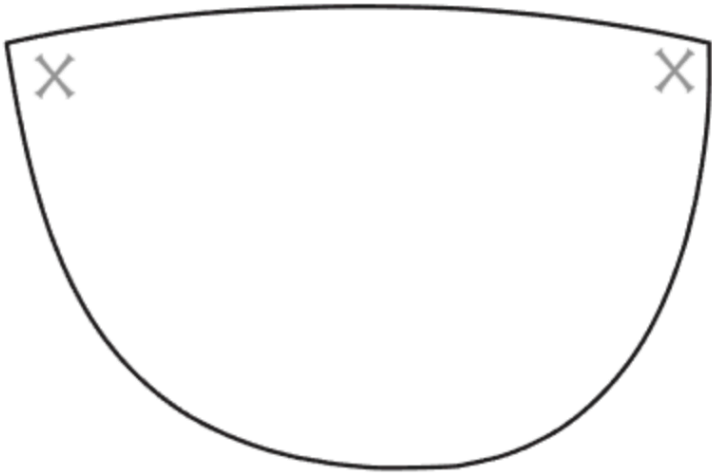

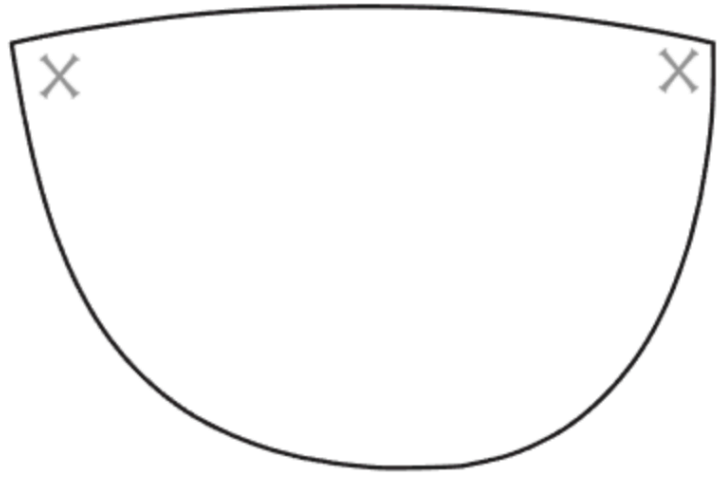

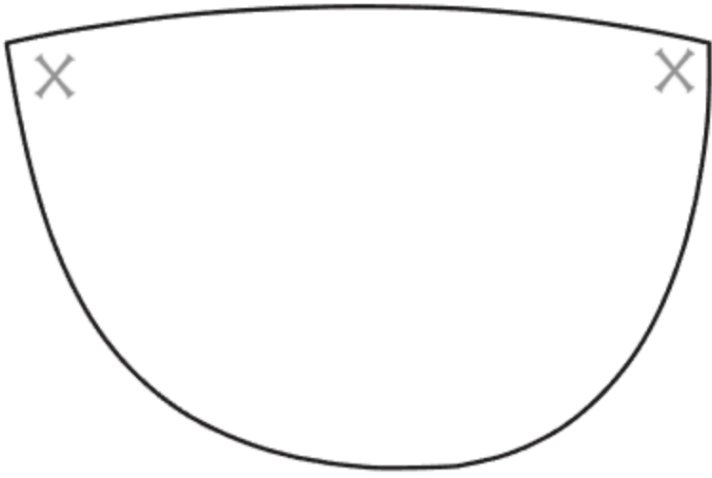

- Have your toddler color an eye patch.
- Cut out the eye patch and punch holes where the Xs are!
- Put string through the holes to fit your toddler's head.

## Treasure Map

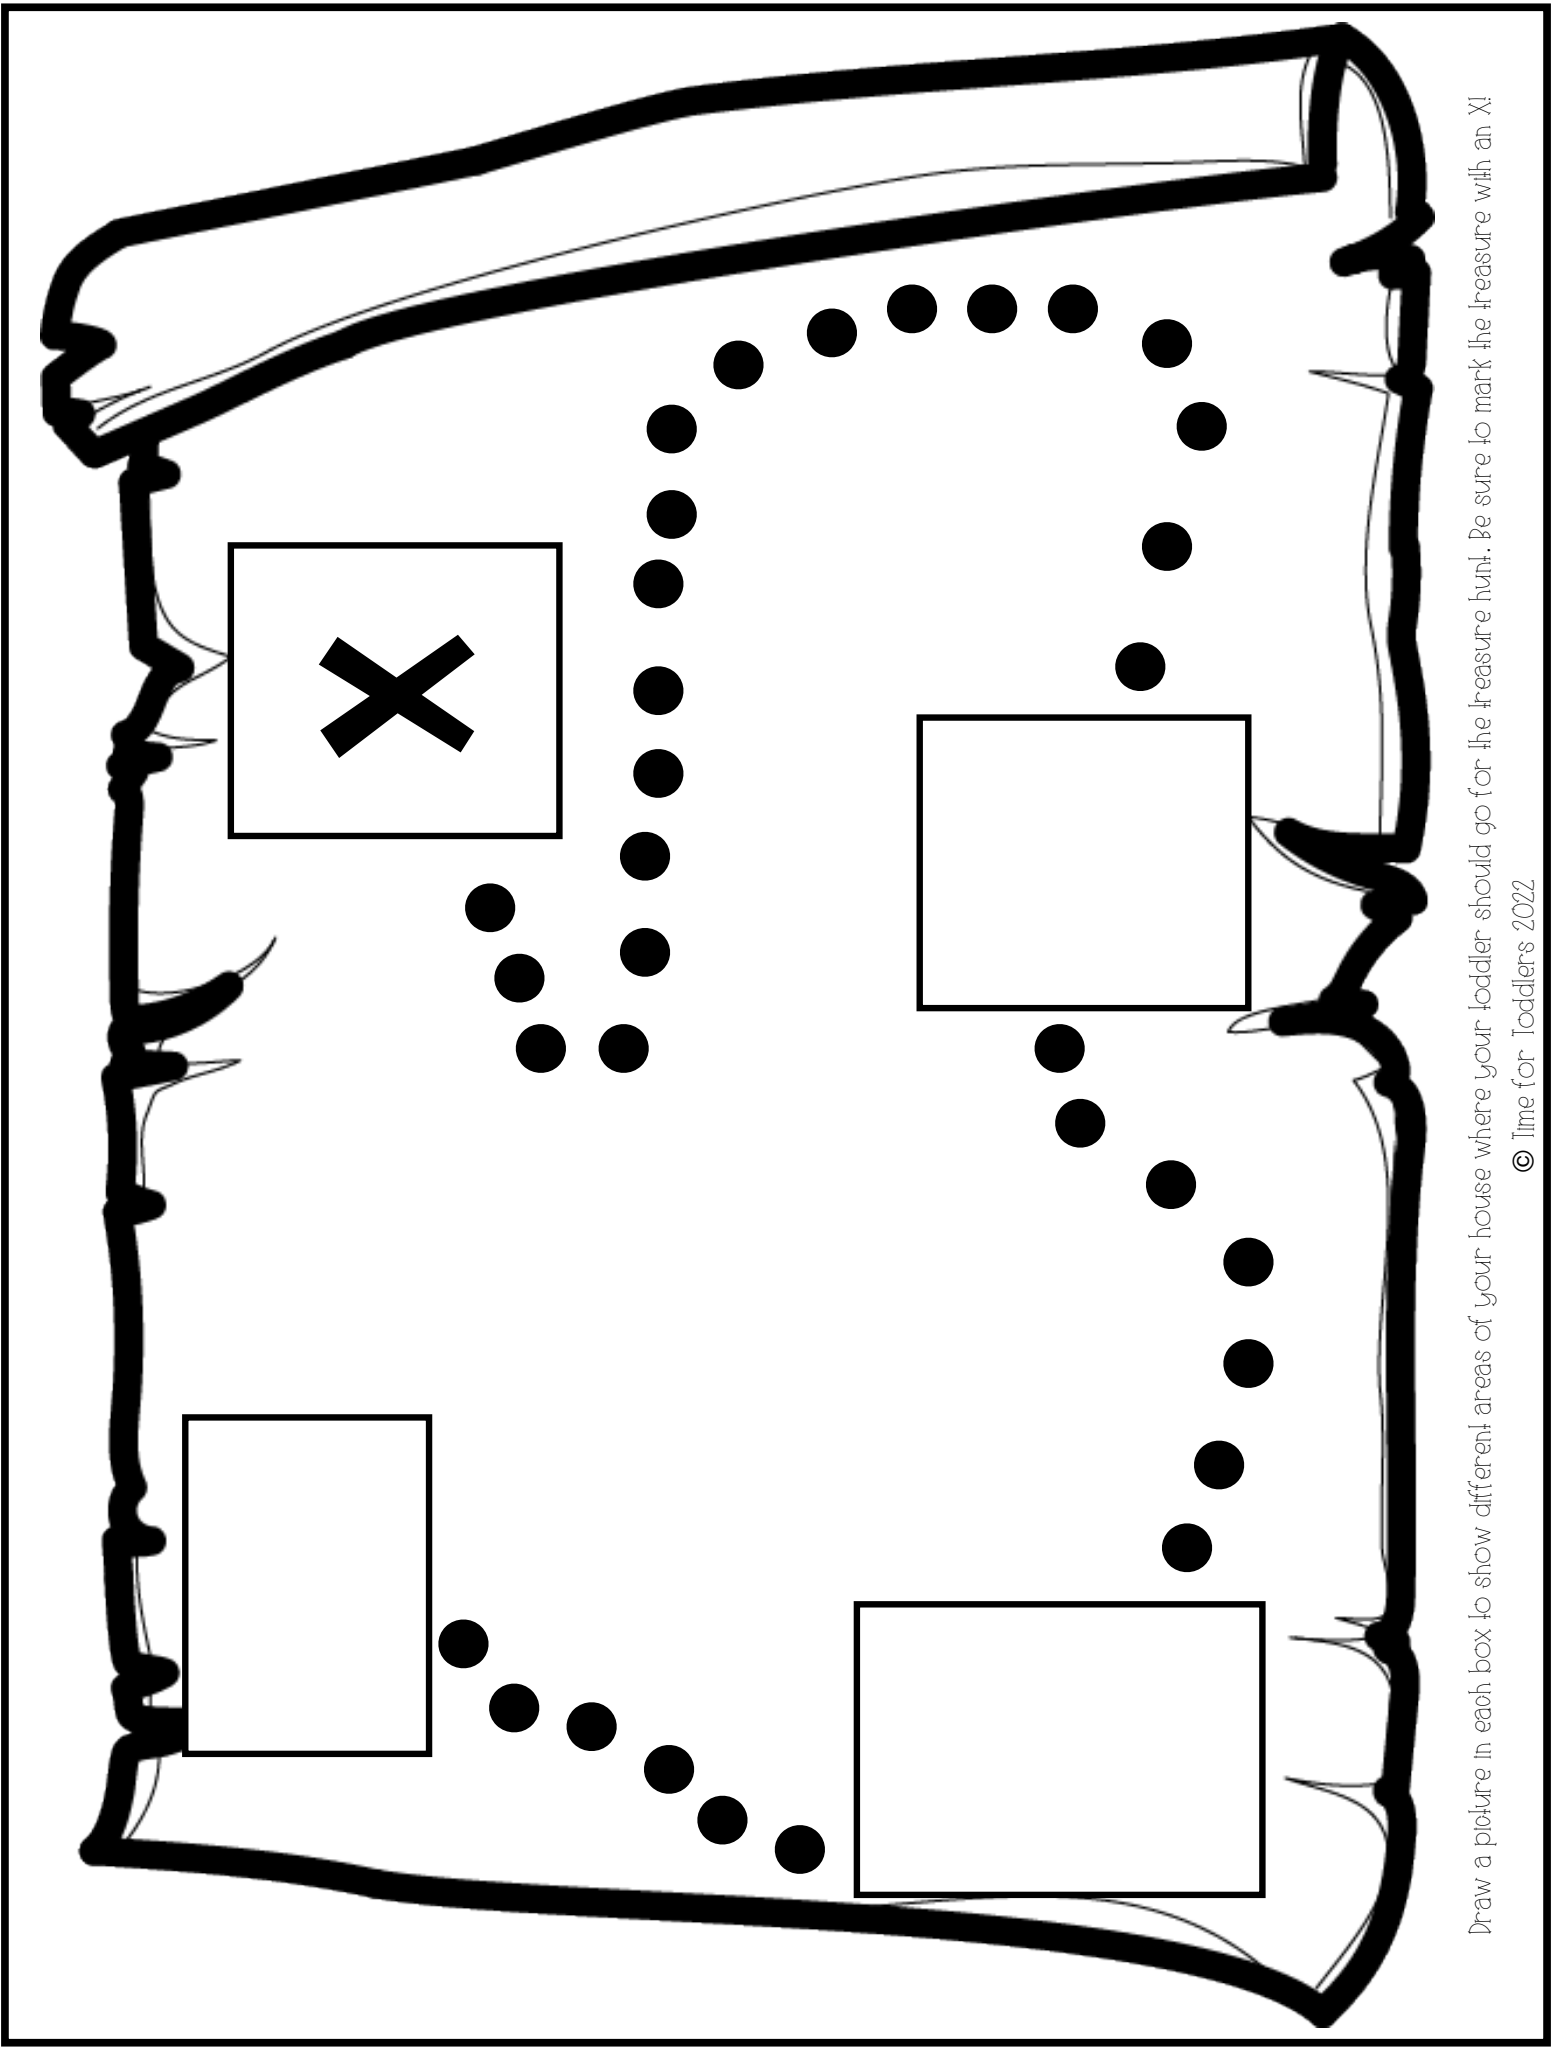

- Draw pictures in each box to match locations around your house. The picture where the 'x' is should be where the treasure is hidden.
- Hide the treasure and place an X on/near it. I use masking tape to create a large X that a toddler can easily find.
- Send your toddler on a treasure hunt and let them follow the map to find the treasure.

## Hat

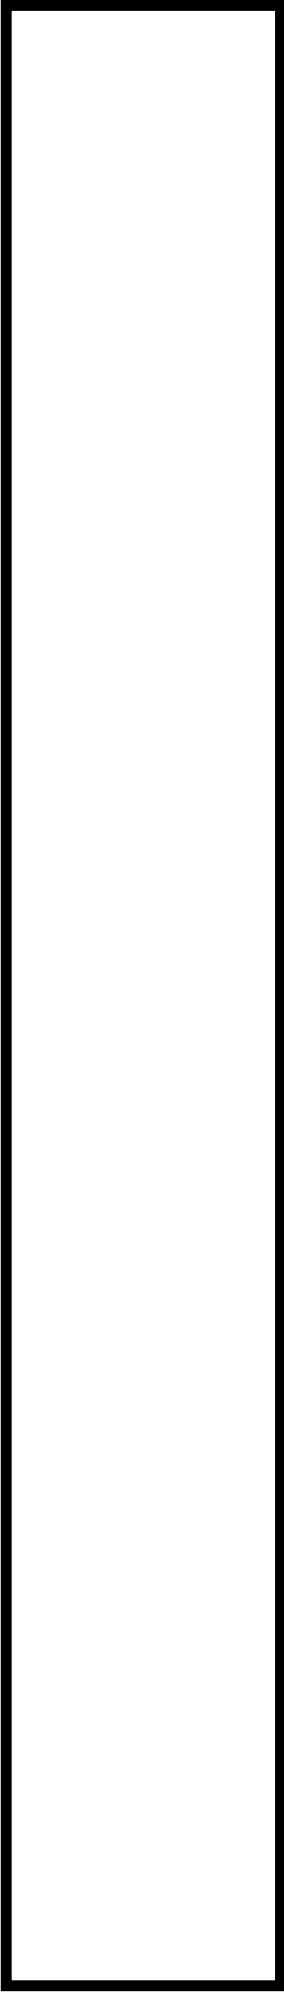

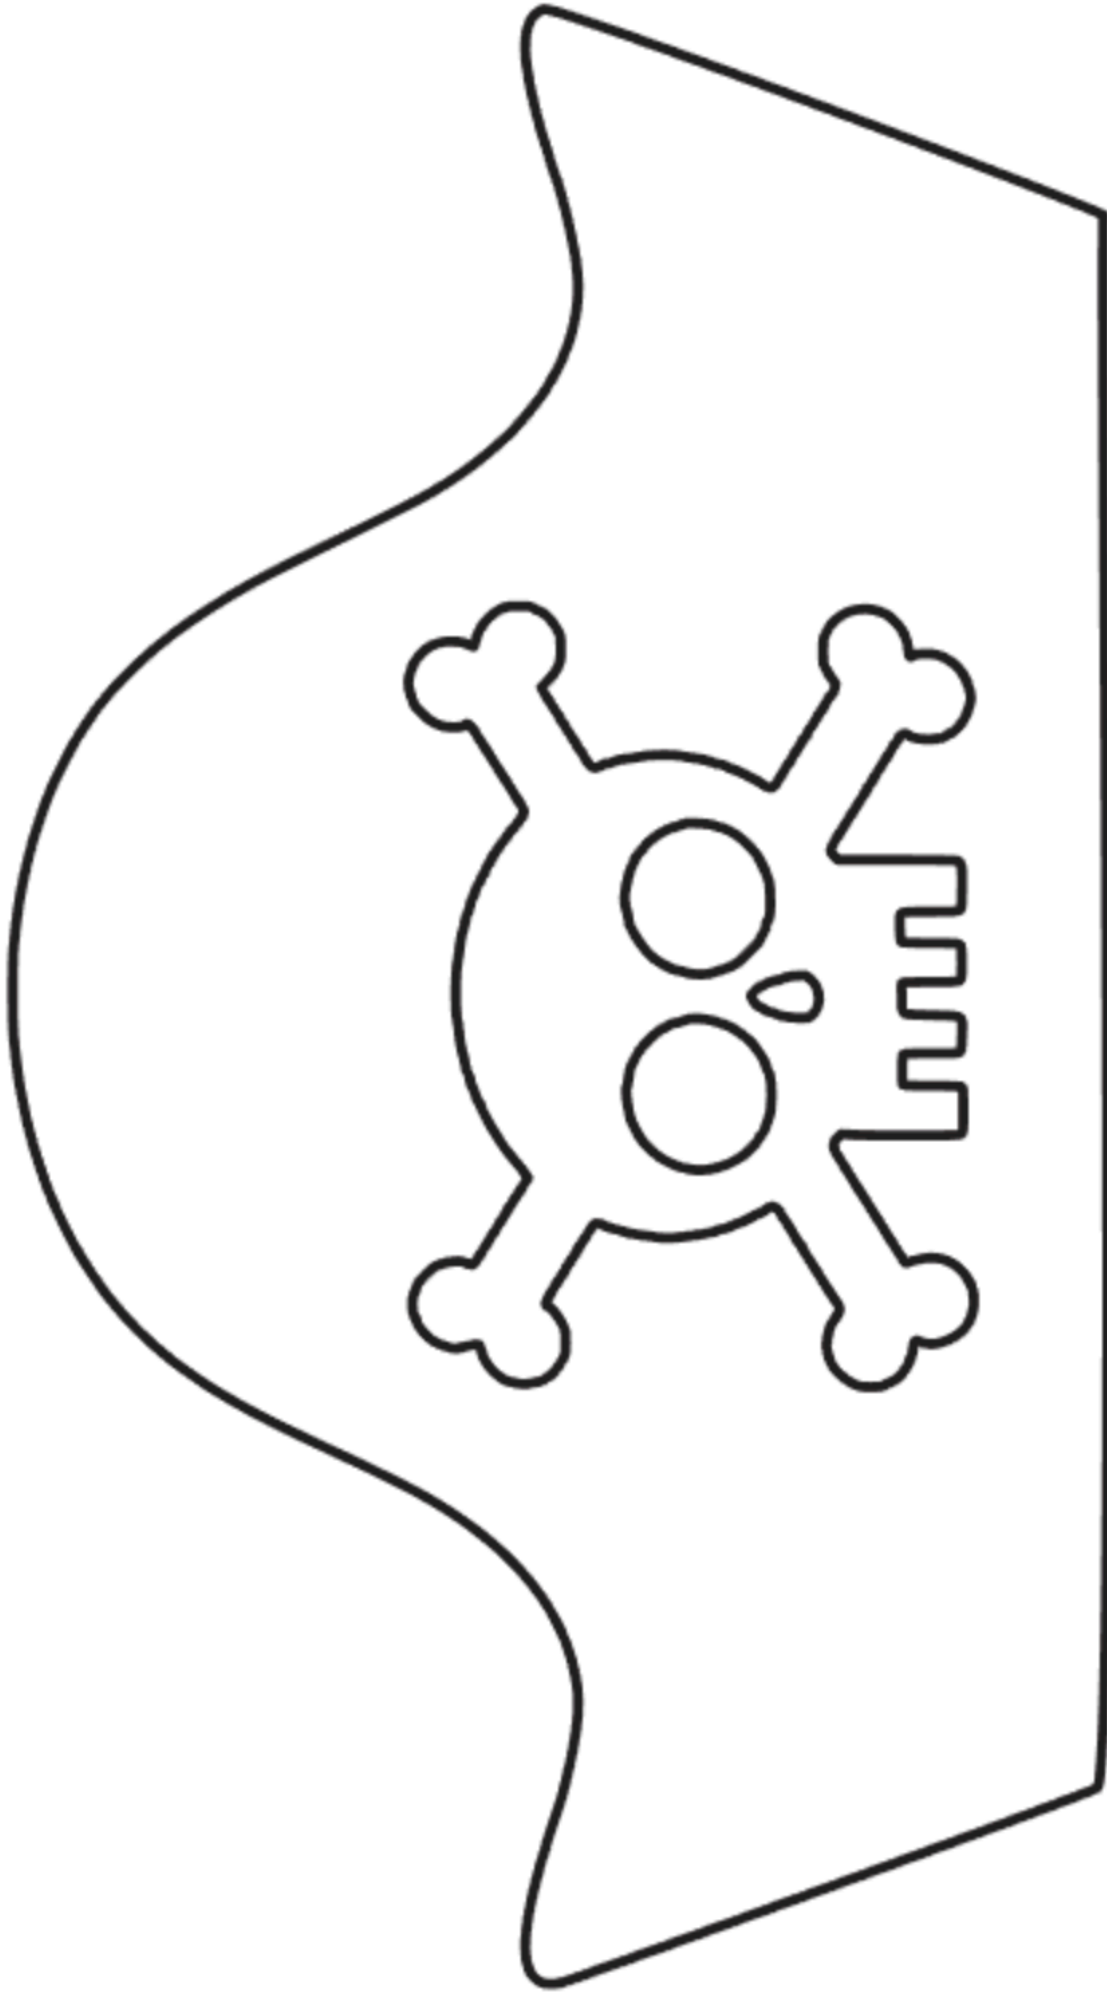

- Allow your toddler to color their pirate hat or simply print the black one.
- Fit the hat to your toddler's head. Use extra strips of paper as needed.

Let your toddler color in their eye patch. Cut the patch out and use a hole punch to punch the Xs on the patch. Put string in the holes to fit around your toddler's head Arrrrgh, matey!

Draw a picture in each box to show different areas of your house where your toddler should go for the treasure hunt. Be sure to mark the treasure with an X!

Color in the pirate hat. Cut it out and add a headband to fit your toddler's head.
